

ELECTRICAL POWER TOOLS

PRODUCT CATALOGUE

Professional tools for construction, maintenance,
workshop and industrial applications

17 selected power tools

Catalogue Overview

This catalogue presents a practical selection of electrical and powered tools for construction, maintenance, workshop, fit-out and industrial applications. Product photographs are provided for reference. Exact voltage, wattage, capacity, accessories and technical configuration should be confirmed against the final model before quotation or purchase.

Code	Product	Primary Application
EPT-001	Cordless Impact Wrench	Automotive • Construction • Maintenance
EPT-002	Electric Jack Hammer / Demolition Hammer	Demolition • Civil Works • Renovation
EPT-003	Heavy Duty Wet & Dry Vacuum Cleaner	Workshops • Construction • Facilities
EPT-004	Electric Heat Gun	Maintenance • Electrical Work • Workshop
EPT-005	Cordless Drill Set	Installation • Assembly • Maintenance
EPT-006	Drilling Machine Kit	Metalwork • Woodwork • Installation
EPT-007	Cordless Drill / Driver	Assembly • Maintenance • Installation
EPT-008	Concrete Cutting Machine	Road Works • Civil Construction • Cutting
EPT-009	Industrial Blower / Exhaust Fan	Construction • Ventilation • Workshops
EPT-010	Portable Blower Machine	Workshop • Cleaning • Maintenance
EPT-011	Bosch Cordless Drill	Professional Installation • Maintenance • Assembly
EPT-012	Concrete Vibrator Machine	Concrete Works • Foundations • Civil Construction
EPT-013	Rotary Hammer Kit	Concrete Drilling • Chiselling • Construction
EPT-014	Rotary Hammer	Construction • Masonry • Installation
EPT-015	Pneumatic Nail Gun	Woodwork • Carpentry • Fit-out
EPT-016	Electric Jack Hammer	Demolition • Renovation • Civil Works
EPT-017	Jigsaw Machine	Carpentry • Fit-out • Workshop

Electrical Power Tools

EPT-001

Cordless Impact Wrench

Battery-powered impact wrench for fastening and loosening high-torque bolts and nuts.

APPLICATIONS

Automotive • Construction • Maintenance

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-002

Electric Jack Hammer / Demolition Hammer

Heavy-duty demolition tool for breaking concrete, masonry and hard surfaces.

APPLICATIONS

Demolition • Civil Works • Renovation

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-003

Heavy Duty Wet & Dry Vacuum Cleaner

Industrial-style vacuum cleaner for workshop, construction-site and general heavy-duty cleaning.

APPLICATIONS

Workshops • Construction • Facilities

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-004

Electric Heat Gun

Controlled hot-air tool for heating, stripping, shaping and drying applications.

APPLICATIONS

Maintenance • Electrical Work • Workshop

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-005

Cordless Drill Set

Cordless drilling and screw-driving set supplied with accessories and carrying case.

APPLICATIONS

Installation • Assembly • Maintenance

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-006

Drilling Machine Kit

Corded drilling machine kit with drill bits and accessories for general drilling work.

APPLICATIONS

Metalwork • Woodwork • Installation

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-007

Cordless Drill / Driver

Portable cordless drill suitable for drilling and screw-driving tasks.

APPLICATIONS

Assembly • Maintenance • Installation

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-008

Concrete Cutting Machine

Petrol-powered concrete cutting machine for cutting concrete, asphalt and similar surfaces.

APPLICATIONS

Road Works • Civil Construction • Cutting

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-009

Industrial Blower / Exhaust Fan

High-airflow portable blower for ventilation, air circulation and dust removal.

APPLICATIONS

Construction • Ventilation • Workshops

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-010

Portable Blower Machine

Compact blower for clearing dust, debris and work surfaces.

APPLICATIONS

Workshop • Cleaning • Maintenance

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-011

Bosch Cordless Drill

Professional cordless drill/driver for drilling and fastening applications.

APPLICATIONS

Professional Installation • Maintenance • Assembly

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-012

Concrete Vibrator Machine

Concrete vibration equipment designed to consolidate fresh concrete and reduce air voids.

APPLICATIONS

Concrete Works • Foundations • Civil Construction

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-013

Rotary Hammer Kit

Heavy-duty rotary hammer supplied with drilling/chiselling accessories.

APPLICATIONS

Concrete Drilling • Chiselling • Construction

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-014

Rotary Hammer

Powerful rotary hammer for concrete drilling and chiselling applications.

APPLICATIONS

Construction • Masonry • Installation

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-015

Pneumatic Nail Gun

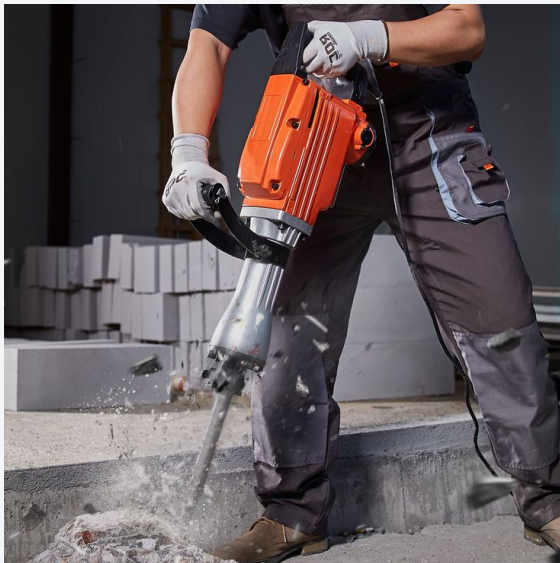

Pneumatic nail gun for fast and consistent fastening in suitable construction and woodworking applications.

APPLICATIONS

Woodwork • Carpentry • Fit-out

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

EPT-016

Electric Jack Hammer

Heavy-duty electric demolition hammer for concrete and masonry breaking.

APPLICATIONS

Demolition • Renovation • Civil Works

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**

Electrical Power Tools

EPT-017

Jigsaw Machine

Jigsaw for curved and straight cutting of suitable wood, plastic and other compatible materials.

APPLICATIONS

Carpentry • Fit-out • Workshop

TECHNICAL INFORMATION

Voltage / power / speed / capacity / accessories: **to be confirmed as per selected model.**
